

Association of British
Mining Equipment Companies

ANNUAL CONFERENCE 2017

Thursday 16 November 2017

Tankersley Manor Hotel, Barnsley, South Yorkshire

With mining industry analysts forecasting the imminent upturn in the industry, ABMEC has invited first-class business experts to demonstrate how to capitalise on the opportunities ahead.

A number of British companies are finding success, utilising Government funding, in development, research and innovation in domestic and international markets.

We are delighted to share this information with you to help secure safer business methods, while exploring new and exciting areas. This one day event will save you hours of research, and give an insight to valuable business opportunities.

Conference Moderator

PAUL BRIGGS IMMEDIATE PAST PRESIDENT: ABMEC

Experienced Electrician and Systems Engineer responsible for mine automation in UK collieries and sales manager within the mining supply chain.
