

Exporting for Growth in Yorkshire and the Humber

Exporting for Growth is aimed at companies wanting to develop their international business or get started with international trade. In addition to the funding, companies will receive impartial and tailored advice from one of our International Trade Advisers who will be happy to assist you throughout the process and project.

Eligible businesses can apply for grants of up to £5,000 as part of the Exporting for Growth programme which is match funded and can be used for various projects.

What can the funding be used for?

- Flights and accommodation to agreed target markets
- Overseas trade events entry and exhibition costs
- Design and production of international marketing material
- Internationalisation of website including translations
- International market research and consultancy services

In order to receive the funding the businesses must meet certain criteria.

Is your business eligible?

- The company must be located in the Sheffield City Region, Leeds City Region or Humber LEP
- Be a small or medium sized enterprise (SME)
- No more than 25% of the business is owned by an enterprise which is not a SME
- Annual turnover does not exceed €50 million or annual balance sheet does not exceed €43 million
- Must create at least of one full time job role
